- NONE

Pricing

Pricing shall reflect the full Scope of Services defined herein, inclusive of all associated cost for delivery, labor, insurance, taxes, overhead, and profit.

Proposer shall quote unit pricing in accordance with the itemized listing of products or contract segments stated in the Scope of Services and using the following format:

Line Item	Description	Quantity	Unit of Measure	Unit Cost	Total
1	MOBILIZATION (PER TXDOT ITEM 500) includes, but is not limited to, securing bonds and insurance; establishment and removal of any necessary project facilities; movement of personnel, equipment, and supplies; cleanup of the project site; and all other incidentals required to complete the project in accordance with the plans and specifications.	1	LS		
2	TRAFFIC CONTROL (PER TXDOT ITEM 502) includes, but is not limited to, planning and activities such as the overall traffic control plan, coordination with the City, scheduling, and supplying all materials, signs, barricades, posts, equipment, labor, tools, and incidentals necessary for the installation, replacement, inspection, maintenance, and final removal of traffic control measures required to complete the project in accordance with the plans and specifications.	1	LS		
3	OSHA-compliant trench safety system (per TXDOT Item 402), as required throughout the project, complete in place in accordance with the plans and specifications.	1	LS		
4	EROSION CONTROL includes, but is not limited to, SW3P submission of the Notice of Intent (NOI) and Notice of Termination (NOT), as well as SW3P documentation. This also includes supplying all materials, equipment, labor, tools, and incidentals necessary for the installation, replacement, inspection, maintenance, and final removal of erosion control measures required to complete the project in accordance with the plans and specifications.	1	LS		

Line Item	Description	Quantity	Unit of Measure	Unit Cost	Total
5	UTILITY LOCATES: Pre-construction location and confirmation of existing utilities, including coordination with Texas 811, franchise utility companies, and the City of Ennis. This includes locating and verifying the exact depth, location, size, and materials of all utilities prior to commencing construction activities, which may involve potholing or the use of vacuum trucks. All necessary equipment, materials, labor, and supervision shall be provided in accordance with the plans and specifications.	1	LS		
6	COORDINATION WITH THE CITY FOR INGRESS/EGRESS TO MANHOLES, including coordination with the City, property owners, and all other involved parties. This includes providing all necessary equipment, materials, labor, and supervision, all in accordance with the plans and specifications.	1	LS		
7	BYPASS PUMPING: Pumping or piping to keep the line in service, complete in place and ready for service. This includes equipment, incidentals, all materials, labor, supervision, and testing, in accordance with the plans and specifications.	1	LS		
8	SURFACE WATER MANAGEMENT, location to be determined in field as needed, contingent on owner's field review and approval, complete in place, ready for service, including scheduling, impoundment, diversion, draining, or other methods of surface water control to facilitate construction of improvements, including compliance with SW3P, equipment, incidentals, all materials, labor & superintendence, and testing in accordance with the plans & specs.	10	STA		
9	SITE CLEARING AND GRUBBING OF EASEMENTS, no burning or on-site mulch disposal to be allowed, complete in place, ready for construction, all materials, labor & superintendence, all in accordance with the plans and specs.	1	LS		

Line Item	Description	Quantity	Unit of Measure	Unit Cost	Total
10	REPLACEMENT OF EMBEDMENT, excavate and place additional foundation embedment in areas of unstable trench bottom, paid for only on engineer/owner approval, complete in place, ready for service, to include equipment, incidentals, all materials, labor & superintendence, and testing in accordance with the plans & specs.	100	CY		
11	REPLACEMENT OF BACKFILL MATERIAL, excavate, haul off and replace unsuitable backfill material, paid for only on engineer/owner approval, complete in place, ready for service, to include equipment, incidentals, all materials, labor & superintendence, and testing in accordance with the plans & specs.	100	CY		
12	REMOVE AND REPLACE RING AND COVER, furnished & installed, complete in place, ready for service, all fittings, equipment, incidentals, surface restoration, all materials, labor & superintendence, and testing all in accordance with the plans & specs.	2	EA		
13	REMOVE EXISTING MANHOLE AND REPLACE WITH NEW 5' DIA. CONCRETE MANHOLE (UP TO 6' DEPTH), furnished & installed, complete in place, ready for service, all fittings, equipment, incidentals, foundation, backfilling, surface restoration or pavement repair, all materials, labor & superintendence, and testing all in accordance with the plans & specs.	31	EA		
14	ADDITIONAL HEIGHT BEYOND SIX FOOT BASE FOR 5' DIA. MANHOLE RISERS, furnished and installed, complete in place, ready for service, including all fittings, equipment, incidentals, foundation, backfilling, embedment, surface restoration, all materials, labor & superintendence, and testing all in accordance with the plans & specs.	125	VF

Proposal

Texas Resident Certification*

In accordance with Texas Government Code Chapter 2252, Subchapter A, the City of [Your City Name] is required to give preference to Texas Resident Proposers. This preference applies to the extent that a Texas Resident Proposer would need to underbid a Nonresident Proposer to obtain a comparable contract in the state where the Nonresident's principal place of business is located.

To comply with this requirement, all Proposers must certify whether they are a Texas Resident Proposer or a Nonresident Proposer. Failure to provide this certification on the provided response forms will result in disqualification of the Proposal.

- The Proposer certifies that their principal place of business is located within the State of Texas.
- The Proposer certifies that their principal place of business is located outside the State of Texas.

*Response required

VERIFICATION REGARDING ENERGY COMPANY BOYCOTTS*

To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code, as amended, Consultant hereby verifies that it and its parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any, do not boycott energy companies and, will not boycott energy companies during the term of this Contract. The foregoing verification is made solely to comply with Section 2274.002, Texas Government Code, as amended, to the extent Section 2274.002, Texas Government Code does not contravene applicable Texas or federal law. As used in the foregoing verification, "boycott energy companies" shall have the meaning assigned to the term "boycott energy company" in Section 809.001, Texas Government Code. Consultant understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Underwriter and exists to make a profit.

- Please confirm

*Response required

VERIFICATION REGARDING DISCRIMINATION AGAINST FIREARM ENTITY OR TRADE ASSOCIATION*

To the extent this Agreement constitutes a contract for the purchase of goods or services having a value of at least \$100,000 that is paid wholly or partly from public funds for which a written verification is required under Section 2274.002, Texas Government Code, as amended, Consultant hereby verifies that it and its parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any,

1. do not have a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association; and
2. will not discriminate during the term of this Agreement against a firearm entity or firearm trade association.

The foregoing verification is made solely to comply with Section 2274.002, Texas Government Code, as amended, to the extent Section 2274.002, Texas Government Code does not contravene applicable Texas or federal law. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" shall have the meaning assigned to such term in Section 2274.001(3), Texas Government Code. Consultant understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Underwriter and exists to make a profit.

CERTIFICATIONS REGARDING TERRORIST ORGANIZATIONS AND BOYCOTT OF ISRAEL*

To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Sections 2252.151-.154 Texas Government Code, Consultant hereby certifies that it and its parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any, is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State under federal law.

To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Sections 2271.001-002 Texas Government Code, Consultant and its parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any, further certifies and verifies that it does not boycott Israel, and agrees that it will not boycott Israel during the term of this Contract. For purposes of this Contract, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory. (Tex. Gov't Code §§ 2270.001-.002, 808.001-.006, .051-.057, .101-.102)

The foregoing certification is made solely to comply with Chapter 2271, Texas Government Code, as amended, to the extent the applicable provision in Chapter 2271.001, Texas Government Code does not contravene applicable Texas or federal law. As used in the foregoing verification, "boycott Israel" shall have the meaning assigned to such term in Section 808.001(1), Texas Government Code. Consultant understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Underwriter and exists to make a profit.

CERTIFICATION REGARDING CRITICAL INFRASTRUCTURE*

Consultant hereby certifies that it will not be granted direct or remote access to, or control of, critical infrastructure, as defined by Section 2275.0101(2), Texas Government Code, in this State, excluding access specifically allowed by the governmental entity for product warranty and support purposes; and is not owned by or the majority of stocks or other ownership interest of the company is held or controlled by: (i) individuals who are citizens of China, Iran, North Korea, Russia or a designated country; or (ii) a company or other entity, including a government entity, that is owned or controlled by citizens of or is directly controlled by the government of China, Iran, North Korea, Russia or a designated country; or headquartered in China, Iran, North Korea, Russia or a designated country. Regardless of whether the company's or its parent company's securities are publicly traded; or the company or its parent company is listed on the New York Stock Exchange as: a Chinese, Iranian, North Korean or Russian company; or a company of a designated country. "Cybersecurity" means the measures taken to protect a computer, computer network, computer system, or other technology infrastructure against unauthorized use or access, as defined in Section 2275.010(3).

The foregoing certification is made solely to comply with Chapter 2275, Texas Government Code, as amended.
