

CITY OF ENNIS, TEXAS

**NOTICE OF PUBLIC HEARING ON
REALIGNING COMMISSION WARDS**

According to the 2020 Census data, the City's commission wards are not of sufficiently equal population and must be redrawn in order to comply with the "one-person, one-vote" principle established by the U.S. Constitution.

The Ennis City Commission is considering new boundaries for its commission wards and wants to hear from you. Tell us what you think about the preliminary commission ward redistricting plans at the public hearing described below:
